Patient Information:
As a patient it is **your** responsibility to tell the staff if and when something has changed with the following:
***Address** ***Contact Information** ***Phone Number** ***Insurance Policy** ***Insurance Cards** ***Co-Pays**

Prescriptions and Prescription Refills:
We do not accept auto-fax or calls from your pharmacy for refills. However, we do accept refill requests from your pharmacy through the computer (e-request). You can request refills at your visit or we ask that you use the patient portal or call the refill line. Please do not leave refill requests on the nurse line. For all prescription refills please allow 48-72 hours (2-3 business days). Our physicians do attempt to send in prescriptions sooner than that, but it is not guaranteed.

Please plan ahead for the weekend/holidays
When you call in for a refill, please be prepared to tell the staff the following:
***Name of medication** ***Dosage** ***Times per day the medication is taken** ***Quantity**
***The pharmacy to which it should be sent to – Including the phone number and location**

Appointments:
All patients are responsible for scheduling, remembering, and keeping their appointments. Although we will attempt to remind you of your appointment with a reminder call, this is only a courtesy. A missed appointment or failure to notify the office within 24 hours of the cancellation can result in a fee billed directly to you. If an appointment is broken without a 24-hour notice, or the patient does not call to cancel and misses the appointment, the office reserves the right to charge a fee. If you are a late arrival to your scheduled appointment, you may be asked to reschedule at the discretion of the provider.

A follow- up missed appointment fee will be $25.
A second follow-up missed appointment fee will be $50.
A new patient missed appointment fee will be $50.
You are only allowed three no-shows. After the third occurrence, it will be an automatic dismissal from the practice.

If you have Diabetes, please bring your blood glucose logs and meter.

All co-pays are due at the time of service. This is an insurance regulation policy that is made with you and your policy holder. It is our role as a physician's office to honor this agreement. If a co-pay cannot be paid, you will be asked to reschedule your appointment.

If you have an outstanding balance, we ask that you call our billing department (614) 326-2672 to set up a payment plan. You can also call into the office to make payments (614) 457-7732. If you are being seen for an appointment and no payment activity is actively being made, you will be required to make some sort of payment at your visit.

For any patients who are already established in our office, we do not allow you to change physicians.

Test Results:
Please allow **7-10 business days to receive your test results.** If your labs are normal and you are on the patient portal, they will be posted to your portal. If you go to an outside lab, please allow more time, as it takes us longer to receive the results. If you have gone to an outside lab and have not heard from our office within 2 weeks after having your labs drawn, please contact the office to make sure we received them.

In the event of a medical EMERGENCY after hours, please call the office and select the prompt for the doctor on call.

If you are able and not already on the patient portal we urge you to create an account. It is an easy way to request refills, make/cancel appointments, send messages to your doctor/nurse and review any testing you've had done within COPC.
